

OBJECT WAS NOT REALIZED

Gathering in Dominion Theatre Learned Object Was to Form Independent Party

MANY NOT IN FULL ACCORD

Came to Discuss A. & G. W. R. Deal—Committee Was Appointed to Advance Interests of the "Bollers" in the Legislature—No Members Were Present

Rather an abortive attempt was made last night in the Dominion Theatre to form an Independent Liberal Club. The announcement of yesterday read that the independent Liberals were to organize, and that all those interested in the A. & G. W. controversy were urged to be present. As a result about eighty men were on hand when Mr. H. A. Taylor took the chair and announced that the purpose of the meeting was to the purpose of the independent Liberals organization in order to give the "bollers" in the legislature moral support. To judge by the feeling of the meeting, however, the majority of those present were not altogether in favor of such a move.

"The Liberal club at present in the city," said Mr. Taylor in his opening remarks, "are not giving any support to those Liberals who feel it their duty to disagree with the government. It is felt that there are a great many Liberals in this city who think that the insurgents are right, and as one of the members from Edmonton is one of these Liberals, it is only proper that a club or association should be organized that will give its support to him."

It was then decided that a committee of seven should be named, who, with a secretary, should call a meeting at which officers should be elected and the club formally organized. J. Kenneth McDonald, formerly deputy Attorney-General in the old territorial legislature, was appointed secretary. A conference then took place between half a dozen of those present, and Mr. Kelly moved that the following compose the committee: Major Thibodeau, W. Diamond, W. R. Cohoon, P. E. Butchart, John Macdonald, J. A. Powell, H. A. Taylor. Mr. J. Hall seconded the motion.

Joe Clark, that stormy petrel of Yukon fame, here took a part in the proceedings, and had the meeting in an uproar in short order. "Is this a public meeting, or isn't it, Mr. Chairman?" he inquired. "It seems to me everything has been cut and dried before this meeting was called at all. It strikes me it's just called to make political capital for the man from Calgary." And then he branched off into a discussion of the pros and cons of the A. & G. W. deal.

"Just sit down, will you," shouted the chairman. "We're not here to have a political discussion. If you can't support the idea of forming a club to support the insurgents, you'd better get out."

This sort of thing lasted for another five minutes, and then the motion was put.

"All in favor?" called the chairman. A number put up their hands.

"Carried," declared the chair, without calling for a show of the "contraries." And then the meeting broke up.

Perry Has Changed Plans
New York, March 18.—Commander Robt. E. Perry has cut short his lecture tour in the south. The refusal of Gov. Brown of Georgia, to introduce him to an Atlanta audience last night, his reference to the commander in an interview as a "fakir" and the small crowd that attended the lecture brought forth the announcement from the club forum in New York under whose auspices Perry is lecturing, that his plans have been changed.

PATRON SAINT DULY HONORED

Edmonton Irish Assoc. Held Brilliant Event at Second Annual St. Patrick's Concert

The anniversary of their patron saint, St. Patrick was fittingly celebrated by the Edmonton Irish Association. Their second annual concert was held in the Separate School Hall last evening and was a huge success. The audience completely filled the large hall and standing room was at a premium. The committee in charge had compiled an attractive programme and every number was vociferously applauded. At the conclusion refreshments were served, and then dancing was indulged in until an early hour this morning. The hall was tastefully decorated in green and white and an illuminated shamrock was hung over the stage.

In the chairman's opening remarks President D. McCullough, in a witty speech sketched briefly the history of the Edmonton Irish Association and told how in its brief existence it had grown from a mere nominal membership to an aggregation of over 200 members. He thanked the people of Edmonton for their loyal support and assured them that the society at all times strove to hold the respect of the public in everything it undertook.

The following took part in the programme: Miss E. Berube, Mr. Frank McMahon, Mr. Rochford, Miss Alice Pinckston, Mr. Daniel Dyer, the McMillen children, Mr. Lamont, Miss Florence Lansdown, Mr. Harold Stutchbury, Mr. Frank Lansdown, and Mr. Berry. The selections were all of a nature appertaining to St. Patrick's Day and encores were all ways in order.

UNION DEPOT FOR CALGARY

G.T.P. Has Secured Option of Mounted Police Barracks Property for Depot Purposes

Calgary, March 18.—The Grand Trunk Pacific has secured an option from the Dominion government on the Mounted Police barracks property here, and it is practically certain accordingly that this will be the site of the much talked of union depot. It has been frequently reported in the past year and it is frequently denied that the G. T. P. has secured an option from the government on this property but this time a denial will be useless as the option has been registered in the land titles office.

Redmond Predicts Election.

London, March 17.—John E. Redmond, leader of the Irish parliamentary party, speaking at Newcastle tonight, predicted a general election within a month. As America has contributed nearly three-quarters of the \$500,000 which the last election cost the Irish party, he hoped their American brethren would help them in the coming election.

THE FUNERAL OF THE LATE JAMES MORRIS

With full military honors, the body of the late Lieut. Jas. Morris, victim of Thursday's sad accident, was laid to rest in his last resting place yesterday afternoon.

James Morris was without doubt one of Edmonton's most popular young men and the huge concourse that attended the funeral bore full testimony to the esteem in which he was held by all his associates.

After Rev. C. A. Meyers had conducted the services at the residence, Fraser avenue, during which time the militia stood at attention, the cortege formed up for the solemn march to the cemetery.

The coffin was placed on a gun carriage and draped with the Union Jack. The deceased officer's helmet

Coming Down Fraser Avenue

and sword placed on the flag served to intensify the solemnity of the proceedings. To the command "Reverse Arms—Left Turn," the firing party led off and the procession followed after the gun-carriage.

Immediately preceding the carriage was the regimental band, with muffled drums and the Dead March in Saul was played along the whole route. The firing party, forty strong, commanded by Capt. Mulvey and composed of "B" company, of which the late Mr. Morris was a valued officer, was stationed in front of the band. Immediately after the carriage came the chief mourners, and these were followed by the officers of the 10th Fusiliers and of the Alberta Mounted Rifles. Another party of

friends followed the officers, and next came delegations of his brethren in the Masonic Order and the Caledonians. Following these was a line of carriages that seemed almost interminable.

The company moved at slow time along Jasper avenue until Eighth street was reached. At this point the firing party broke into quick time and continued thus until the environs of the cemetery was reached. Slow time was again assumed, the band taking up the dead march.

Archdeacon Gray, chaplain of the A.M.R.'s, conducted the service at the grave.

Three volleys were fired over the grave and a bugler sounded the last post.

MUST SEE THE BOOKS

Grand Jury Investigating Cold Storage Business in Hudson Co. Must See Books of the Packers

Trenton, N.J., March 17.—The so-called beef trust lost a decision in the New Jersey supreme court today. Justice Swayne filing a statement that he would sign an order compelling the National Packing Company and other meat corporations to produce their books before the Hudson county grand jury for use in the investigation that body is holding with respect to cold storage houses in Hudson county.

The decision was arrived at by Justice Swayne after consultation with other members of the court. In his statement the justice says that two objections were made on behalf of the companies; first, that the prosecutor failed to show a case pending in which the books would be required as evidence; second, that Justice Swayne had no power to bring the books within the state except where they might be needed in a cause in the supreme court, which would make the books subject to the control of the court.

In reply, Justice Swayne says that if a grand jury has a right to do what the oath of the members indicates, that is, "to diligently inquire into all such matters as shall in any way come to their knowledge," then the grand jury should be permitted to examine the books.

Disinfectant in Water.

Toronto, March 17.—The board of control has instructed Dr. Sheard to try to use disinfectant in the city water without delay, to see if it will have the effect of reducing the number of bacteria and lessening the danger from typhoid fever which has now become a serious epidemic in the city.

Saskatoon Will Apply.

Saskatoon, March 18.—An enthusiastic meeting was held last evening and it was decided to apply for admission in the Western Canada Baseball League. Delegates were appointed to attend the meeting at Moose Jaw tomorrow.

PEACE PROSPECT IN TRANSIT STRIKE

Negotiations Still Lagging Along but Leaders are Gradually Drawing Closer Together

Philadelphia, March 17.—The peaceable and thoroughly polite gentlemen on the business side of the strike are still "seeing" each other without bloodshed, bitter words, or hard feelings, but the police department, under the able guiding hand of Col. John Taylor, is still prepared for any sort of an emergency. The colonel does not take any chances. In these piping times of peace and general good will he is prepared to battle, murder and sudden death.

Peace negotiations are still lagging slowly along. Transit men who do not like to see Mr. Earle get the credit for establishing peace have still further complicated matters by their well-complicated at settling the trouble. The union men announced that unless peace is reached by Monday the state wide strike will be declared. It is still a question of the fate of the 473 men.

This is the point on which peace hinges. The whole matter has now degenerated into the trivial efforts of many small men to attend to a matter which two business men might settle in the time it takes to smoke a short cigar.

There are no signs of real trouble. The leaders are taking tea together and gradually drawing closer together.

It is only a matter of time and in Philadelphia as elsewhere time is money.

Opposed to French Tongue

Toronto, March 18.—By a unanimous vote the board of education went on record last night as opposed to the ambitions of Ontario residents of French descent to have their mother tongue taught in the public schools of the province.

NON CONFORMISTS IMPATIENT

Warning Given to Ministers that Government Will be Defeated on Finance Vows at General Election.

London, March 17.—Redmondites and Radical forwards have again hung out the flag of revolt. They demand to be led unflinchingly against the Lords' veto, upon Asquith's Albert Hall pledge without complication with the veto or budget or any other issue. They refuse to listen to the suggestion of Sir Edward Grey and other cabinet ministers for simultaneous measures for the reform of the Lords. "We are," said Redmond last night, "in for a revolution, or we are in for a sham battle. We must use without scruple revolutionary tactics."

Sir Robertson Nicoll in the British Weekly puts the point even more plainly, and says: "The Radical movement is due to the fact that the government is apparently determined not to approach the king, and mean to spring upon the nation a scheme for the reform of the Lords." He adds: "The Non-Conformist enthusiasm for the government is nearly worn out. Unless some great decisive change is made the government will take their way to a general election on a road nacadamized with broken vows."

Today's rumor is that Messrs. Grey and Haldane have told Premier Asquith they must resign if the cabinet holds to Redmondite and Labor tactics, which they contend leads straight to a single chamber policy, and the abolition of all safeguards against revolutionary legislation.

New Chief's Drastic Measures.

Ottawa, March 17.—Ottawa's new chief of police, Ross, intends making a thorough housecleaning in some of his departments. Walter Dicks, for ten years head of Ottawa's detective force, will be reduced to sergeant. It is expected that Dicks will resign.

NEW LEADER FOR UPPER HOUSE

Hon. Sydney Fisher Will Give to Senate Ministerial Representation in Accordance With its Wish.

Ottawa, March 18.—It is now considered certain that Hon. Sydney Fisher will shortly resign his seat in the Commons for the County of Bromo and go to the Senate as senator for the division lately held by Mr. Baker. Mr. Fisher would take his portfolio with him and thus give the Upper House a cabinet minister for which it has been calling. In the event of Mr. Fisher going to the leadership of the Upper House, which is practically assured, Mr. R. Smith, K.C., Batorion of the Montreal bar, who was the candidate against H. B. Ames, in St. Antoine in 1908, and who is counsel for the Transcontinental Commissioner Lamsden inquiry, will take his seat.

Advancement for Col. Steele

Ottawa, March 18.—A militia order announces that Lieut.-Col S. B. Steele has been appointed to the command of the Strathcona Horse, Royal Canadians. It is further announced that Col. Steele will command and administer military district No. 10 in addition to his other duties.

Coal Mine Accident

Frank, Alta., March 18.—Charles Germaine was fatally injured by a falling rock in the mine at Hiltreer Wednesday and died in the hospital yesterday. The jury returned a verdict of accidental death. O. Carlson, the Swede working at Maple Leaf Collieries was found dead in mine today. It is not known what was the cause of death.

LIBERALS OF SEDGEWICK

Call Upon Members to Join With Government in Expediting Work of the Session.

Sedgewick, Alta., March 17.—At a meeting of the Sedgewick Liberal Association, held to discuss the present political situation at Edmonton, the following resolution has been unanimously adopted:

"Resolved, that the Sedgewick Liberal Association is pleased to announce its approval of the appointment by the present government of a royal commission to go into the merits of the contract made by the Rutherford government with the A. & G. W. Ry. Co. and would recommend the different Liberal associations in the province request their respective members at Edmonton to leave the matter of the said railway contract and all controversies pertaining thereto entirely in the hands of such commission, and that the Liberal associations further request their respective Liberal members to join with the government and proceed with their legislative duties and thus avoid the unwarranted expense to the public of lengthy legislative sittings. Further resolved, that this resolution be forwarded to our present member at Edmonton, Mr. Chas. Stewart, and to the press—Sedgewick Liberal Association."

Premier Promises That Public Accounts Will Not be Much Longer Delayed

NO SATURDAY SITTING YET

Attention of House was Given to Private Bills Chiefly in Committee of the Whole—Evening Sittings Objected to

So imbued with the idea of getting down to the business of the House was Premier Rutherford in the legislature yesterday that at the close of the afternoon's work he suggested an evening session.

Mr. Bennett objected to this. He said that the night sessions made it impossible to have proper attention given to attendance on committee meetings in the morning. This led to a discussion of a Saturday session of which the premier had given notice. Mr. Bennett read the authorities to show that the practice of the House of Commons has been not to sit on Saturday. He thought it would be a good idea to arrange that the estimates be brought down so that the house could worry along with supply in the intervals when bills were not printed, or on Saturday if thought necessary. He felt that every man must have some private business and Saturday sessions just now would be very inconvenient.

In answer to this the Premier conceded that a Saturday sitting should not be held until the public accounts would be printed subsequent to which the estimates would be brought down. The premier further intimated that the public accounts would be available soon.

When Mr. Smith's motion for the appointment of an independent railway board, for the province came up he asked the premier whether it was the intention to proceed with the government motion for a railway board. The premier replied that he had an announcement to make in that regard and asked that it be held over until today. To this Mr. Smith agreed. There is also to come up today his resolution for the staying of the construction of the Great Waterways road until the commission had reported.

An act respecting the Dominion Coal Co., Ltd., and granting additional powers to the town of Raymond, for the purpose of acquiring or constructing public utilities were read a third time and are now entitled to a place on the statute books.

In committee of the whole, discussion was held on Bill No. 53, an act to consolidate and confirm certain bylaws of the town of Cardston; Bill No. 26, an act to incorporate the High River General Hospital, of High River; Bill No. 27, an act respecting land surveyors, and Bill No. 3, an act respecting the Great West Permanent Loan Company. All three were reported to the house with some amendments and will come up for their third reading on Monday next.

BANQUET TO RENFREW TEAM

Town Council Will Tender Them a Spread—Martel Claims to Have Signed Stars for Next Season

Renfrew, March 18.—Renfrew will tender their hockey players, the executive of the hockey club and their financiers a banquet after their return from New York.

As the result of hockey Renfrew has been advertised extensively, and the leading papers of Canada have so prominently reported the doings of their hockey team that Renfrew has become known by reputation from the Atlantic to the Pacific. The players who have represented Renfrew have proved themselves worthy citizens and are held in high esteem by the town council.

Lester and Frank Patrick and "Newsy" Lalonde go back to Nelson, B.C. next week. Hay Miller and Fred Whitcroft leave for Edmonton about the same time. The Renfrew team has practically disbanded, but Lindsay, Frank Patrick, Taylor, Miller, Lalonde and Whitcroft have as good as promised Renfrew their next chance of their services next season. The O'Brien Cup, worth \$5,000 and made of pure silver from the famous O'Brien Mine will be presented to the Wanderers on their return from New York.

Big Marathon Tonight.

Vancouver, B.C., March 17.—The three most noted distance runners of the day will be seen in action in Vancouver on March 18th in an indoor 15-mile race. The men will be Henri St. Yves, the world's champion; John D. Marsh, the Canadian champion, and Dorando Pietri, the Italian champion. All have consented to the terms.

DR. ROLLER vs. GOTCH

These Two Wrestlers Had a Little Mix-up Which Was Not Billed in Advance.

Kansas City, March 16.—It leaked out today that Frank Gotch, the champion heavyweight wrestler, and Mr. B. F. Roller of Seattle, were prevented from mixing only through the interference of friends.

Both wrestlers were in the same room at an exhibition here. Gotch said to Roller: "Don't go flourishing around the country telling people that I do not want to meet you. I will meet you anywhere, at any time, but it must be winner take all."

Roller turned white with anger, and with clenched fists he started toward Gotch. A moment more and the two would have been fighting. Friends of the men stepped in, however, and separated them. As Roller left the room he said: "That's all right, Gotch, I have not been four-flushing, but I will accept your proposition, and I do not think that I will walk home, either."

British Bull Pups.

Lovers of a good pure-bred bull dog should not neglect to look in Wm. Sugarmann's window either today or tomorrow. Mrs. Dennie V. Farney, 84 Fourth street, has her prize-winning British bull bitch with a litter of nine pups on exhibition there. They are of the same breed that are such favorites in New York and London, and Mrs. Farney has already sold the entire litter. They are well worth seeing.

A REVIEW OF THE DEACON'S HOCKEY TEAM

City League Champions Have a Record That any Team Would be Proud of.

WON ELEVEN GAMES AND LOST FOUR

Deacon's Went Through City League Without a Defeat and Also Won Games from All-Stars and High School Besides Numerous Outside Games—Scored a Grand Total of Ninety Goals While Their Opponents Put in 54—Much Credit Due to Deacon White and Trainer Anse Young

Before the hockey season of 1910 fades into oblivion, it is only fair that a few words be said about the Deacons, City League champions, and one of the latest amateur teams in Alberta.

When it was mooted about that City League was formed Deacon White determined to enter a team and also decided, with his customary thoroughness, that it would be a good one. He immediately signed up Anse Young as his right bower and the pair by some hard work gathered together a septette that looked good to them. However, the average fan could not see the Deacons at all, and conceded Queen's avenue another championship.

Anse kept the players hard at work and they began to show a neat combination.

Christmas Day they played the Strathcona seniors before a capacity house at the Thistle Rink and after a hard fight were defeated 5-4. But on New Year's Deacons went across the river and got the verdict by 6 to 4. They went through the City League without a defeat, though several games, including a 3-2 contest with the Y.M.C.A., were mighty hard struggles.

Their City League Record.

Deacons 9, J. H. Morris 1.
Deacons 3, Y.M.C.A. 2.
Deacons 8, Queen's 0.
Deacons 3, Y.M.C.A. 2.
Deacons 9, Queen's 3.
Total goals for, 29. Against, 8.

A number of outside games were played. A trip was taken to Calgary in January and the Deacons went down to defeat before the St. Mary's by 4 to 2. It is only fair to say that Deacon had received miserably rough treatment on the preceding night at Lacombe, where they were beaten 4 to 3 on a small, poorly-lighted rink.

On January 29th the St. Mary's, Calgary, played their return game here, and Deacons easily won by 6 to 1.

After the City League schedule was finished the Deacons played a number of exhibition games. Stettler, one of the fastest teams in the province, were beaten by 13 to 8, and the visitors then turned the tables on the Deacons the following evening by 8 to 3, making the score on the round 16 all. Then the Adanac team, a husky Saskatchewan aggregation with a reputation for winning games, came on the scene and Deacons handed them a 10 to 2 licking.

No outside teams being available, Deacons then as City League champions played the Edmonton High School, champions of the Intercollegiate League, and it proved to be the best amateur game seen in this city for many moons. Deacons got the verdict by 10 to 8. The last fixture of the season was Deacons vs. All Stars. The All Stars were picked from the Queen's Avenue, Y.M.C.A. and J. H. Morris Co., and were only beaten by 4 to 2.

When Prince Albert challenged for the Fit-Reform Cup, the Edmonton Hockey Club was indeed in a quandary as there were only three of the old stalwarts, Winchester, Deaton and Doalton, available. However, they filled the gaps in their line-up by Bill and Gordon Banford, McGann and McKenney on the Deacons, and the result is still fresh in the memories of local fans. The recruits from the amateur ranks filled in very creditably and show that in future years Edmonton need have no doubts where their hockey team is coming from.

Results of games other than league fixtures:

Deacons 4, Strathcona 5.
Deacon 6, Strathcona 4.
Deacons 3, Lacombe 4.
Deacons 2, St. Mary's 4.
Deacons 6, St. Mary's 1.
Deacons 13, Stettler 8.
Deacons 10, Adanac 2.
Deacons 10, High School 8.
Deacons 4, All Stars 2.

Total goals for, 61. Against, 46.
Grand total for, 90. Against, 34.
This is a record that any team might well be proud of, and it is expected a number of the Deacons will be seen in faster company next season.

Personnel of Team.

Goal, Sam Allan. Leftmost in the Renfrew, Ont., which place has been mentioned often or twice in hockey despatches this season. Rus has been playing in Edmonton for three years and this season did some clever stopping. His work fell off a little towards the end, but taking it on the whole it was satisfactory.

Point, Bill Banford. Bill learnt the game in Vankelee Hill Ont., but has been associated with Edmonton hockey so long that he is looked upon as a local product. Bill was captain of the Deacons and to his fine work is due in a large measure their successful season. Was formerly a member of the Edmonton Hockey Club and this year again showed his calibre in the Fit-Reform games against Prince Albert.

Cover-point, Hum Aldous. Hum started to play hockey in Winnipeg at the early age of three and has been at it ever since. This was his first season in Edmonton hockey and he was acknowledged on all sides as being the best cover-point in the city. Fast on his skates and a good defence man, he is also dangerous on account of his scoring ability and has numerous goals to his credit.

McGann, rover. Started playing hockey in Prescott, Ont., and later with Carlyle, Sask. This is Mac's second year in Edmonton hockey, he being a member of the Wanderers last season. Without doubt McGann was the sensation of the season and worked with consistent success during every game. He is a goal-getter from the word go and the fastest man in the city. On many occasions his spectacular runs have brought the crowd to their feet. Mac played cover-point for the Edmonton team in the Fit-Reform series and made good.

Centre, Pierre Gauvreau. Pierre learnt his hockey in Edmonton and is a really and truly "home-brew." Played last season with the Grand Trunk Business College and graduated to the Deacons at the beginning of this year. Though handicapped by his light weight, Gauvreau more than overbalances this by gameness, and was a valued member of the city champions. He plays the centre ice well and is a goal-getter. Pierre's particularly bright feature is his checking back and goodness only knowing how many goals have been prevented by his activity.

Left wing, Dea. This player hailed from Innisfail and made his debut to the Edmonton public this season. He was first played in centre ice and was nothing out of the ordinary. By a happy chance he was shifted to left wing on New Year's Day and by his work that day established himself as a fixture at that position. Dea plays the boards to a nicety and has a side shot which comes in with the speed of a cannon ball, and has the

AMATEUR WOULD LIKE TO KNOW

If the A.A.A.A. is Dead or Merely Sleeping? Probably the Local Governors Can Inform our Correspondent

Edmonton, March 15, 1910.
Sporting Editor Capital:

I would like to ask the Alberta Amateur Athletic Association a few questions through the medium of your valuable paper.

What about B. Banford, McGann, McKenney and G. Banford, who played with the Edmonton Pros. against Prince Albert—are they to be professionalized or are they to be allowed to retain their amateur cards and compete in amateur athletic events during the coming summer?

What about Lynn and Kent, are they to be allowed to retain their amateur standing? Of course it's all right for the A.A.A.A. to shut their eyes to the fact that these men are travelling from one town to another (at their own expense) jumping from team to team (which is not allowed in amateur football) and playing the game of near-professional hockey for all it is worth; but I ask, is it fair to the other amateurs in Alberta who have signed an affidavit, paid 25 cents, received a card from the A.A.A.A. and are honestly trying to live up to their amateur standing?

Take the case of Gordon of Fort Saskatchewan. Gordon entered and ran in an unauthorized meet at Vegreville last year and won a \$75 gold watch. Hold your breath—he was suspended for thirty days. What a joke on the other runners who did not enter because they wished to retain their amateur standing. Believe me, there are several runners in Edmonton who would have given Mr. Gordon a run for that gold watch, and one or two who would have beaten him. I would like to ask the A.A.A.A. if thirty days' suspension is to be the maximum of punishment to be meted out to the amateur who in the future decides that he will not stand aside and see Mr. Gordon win all the \$75 gold watches? What about the other fellows who ran in the above-mentioned meet? It takes more than one runner to make a race, but I didn't hear of any of the other fellows being suspended for having entered and run in the same race and committed the same offence for which Gordon was suspended. Don't suppose they were even asked to show their amateur cards. Wonder how many professionals entered and ran at the meet? Ask the A.A.A.A. Do they know, or did they take the trouble to find out? No! If the truth were known Mr. Gordon should have been professionalized instead of being suspended for thirty days. It's a waste of time to suspend a man for thirty days in the Northwest. He just goes on training for the race he has in view about thirty weeks hence and wonders why people can be so foolish.

What does the A.A.A.A. exist for? Is it supposed to look after the interests of the young men in Alberta who are honestly trying to live up to their amateur standing, if so, why doesn't it get busy and squelch a few of those near-professionals?

Spild Shoe.

In reply to "Spild Shoe," we beg to say that we do not begin to understand the hidden workings of that august body, the A.A.A.A. In regard to Bill and Gordon Banford, McGann and McKenney, who professionalized by turning out to help Edmonton retain the Fit-Reform Cup, we are sure they will take their punishment like men when it is handed out to them. They turned pro more to help out the team than for any pecuniary benefit that might accrue to them. Lynn and Kent are at present under a heavy suspension by the Alberta Hockey Association, but will probably be reinstated very shortly. As for Gordon, the runner, we are not conversant with the case.—Sporting Ed.

Ice Plant for Ottawa.

Ottawa, March 17.—Officers of the Ottawa Hockey Club are seriously considering a proposition to equip the local arena with an artificial ice plant. The past winter was so mild that most of the games were played on soft ice, the result being that hockey of an inferior quality followed. It is now felt that an artificial ice plant, similar to that in use at the St. Nicholas rink, New York, would be a profitable investment. The season could start earlier and continue until the first of April if necessary. Officers of the ex-champions who accompanied the team to New York will enquire into the cost. The new Toronto rink will have an artificial ice plant and the Montreal Arena will also order one.
